## **Propak makes ownership easy**

SpinoWraaptors can be supplied with no capital outlay - as a machine, film and maintenance package charged on a per pallet wrapped basis. The machine can be owned by the user at the end of the contract period. All SpinoWraaptors are supplied fully installed, and full training is provided. 24/7 service and backup is provided Australia-wide.

## **Free packaging audit**

Propak can provide an obligation-free audit of your pallet wrapping facility. A written report will be prepared showing a number of key parameters including comparisons of stretch film use, costings and time savings.
